What are the best times to contact you?

What is your past experience/training with firearms?

What type and caliber handgun do you intend to bring to the range?

Do you know how to clean this handgun?

Do you know how to load/unload this handgun?

Are you 21 years old or older?

After basic qualifications there will be additional skill building opportunities such as: Shooting from cover, reloading drills and other drills that will be fun and will allow you to access your abilities and needs for practice.

If at any time you do not feel physically capable of performing the drill will you inform your instructor?

Thank you for completing and mailing this to us. This will allow us to better serve your instructional needs.
